- IV. UNFINISHED BUSINESS
- V. NEW BUSINESS
 - a. Review of Fort Lee Expansion Traffic Study – Michael Baker Jr., Inc. representative(s) will present information on their report regarding deficiencies and solutions to traffic needs anticipated due to the expansion of Fort Lee and growth in this vicinity. This report was mailed to Technical Committee members on October 18 for review. Technical Committee members will have opportunity to ask questions and offer comments on the technical assumptions used to prepare the report, including traffic calculations and cost estimates for improvements. Technical Committee members will then be asked to make recommendations, including justification, to the Policy Committee on priority projects. The next Policy Committee meeting is scheduled for November 9. It is anticipated priority project needs identified in this study will be used to support a grant application to the Virginia National Defense Industrial Authority due November 17 of this calendar year and subsequent applications to agencies for additional project funding into the future. This is an action item.
